**FINAL ESTIMATE OF JANUARY 1, 2005 POPULATION**

Dear Local Official:

The final estimate of the January 1, 2005 population for the TOWN OF BROOKLYN in GREEN LAKE County is 1,957.

Approximately 1,548 of the estimated population for the TOWN OF BROOKLYN are of voting age. This approximation is a courtesy estimate that helps you comply with Wisconsin Statute 5.66, which requires municipal clerks to approximate the number of electors prior to elections. The voting age population was calculated by applying the census proportion of persons over 18 to the final January 1 estimate, and then multiplying the result by a state-wide factor to account for the general aging of the population.
